Your specific evaluation comments:

Great sense of humor. She was also great. She insulted some of her audience, annoying; it was the same lecture she gave a couple of years ago. Slightly offensive. Great energy. A bit intense an over the top. Go for Letterman's job. The best! Very good and fun final talk. Excellent to close the seminar. Best, terrific. Keeps you awake. Good advice. She is great. I could listen to Julie for hours! Great late afternoon speaker, kept us thinking and participating. Great, Great, Great, lots of useful information! Excellent. Great great speaker and passion. Too egotistic. Motivating speaker. Good speaker. Didn't care for the subject matter, would have preferred real-world tips, no different than common sense advice, enjoyed how interactive she was with audience. Needs more time. Always interesting. Excellent finish. Wonderful! Funny, loud, thank you, kept us awake! Great. Excellent. Great speaker. Great energy. Love it!

Thank you again for your sharing your expertise. We look forward to seeing you at future industry events.

Sincerely,
